

The Ministries of Child Evangelism Fellowship

In 1960, on average 90% of children in public schools attended church. Today, on average **90% of children in public schools are not attending church**, therefore not hearing the Good News of the Gospel. CEF's mission is to take the Gospel to where the kids are, so that their lives can be changed by the love of Jesus Christ and the truth of His Word. We accomplish this mission with our two clubs:

Good News Clubs are fun, evangelistic, after-school Bible clubs that meet once a week on the campuses of our public elementary schools.

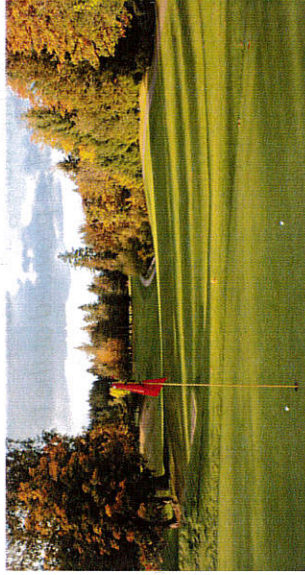

We minister to elementary schools in Cherokee, Laurens, Spartanburg and Union counties.

Christian young people come together to make their summer count for Christ by serving as summer missionaries with CEF.

364 children were ministered to this summer by our Summer Missionaries and 7 children made professions of faith.
